

Practical Law

Session Objectives

Getting started on Practical Law - This session will introduce Practical Law resources and functionality and guide the user to find global content effectively. Key focus will include cross-border resources including jurisdiction specific material, cross-border comparative tools and dashboard.

Learning Outcomes

At the end of this session, participants will be able to:

- Understand the coverage of content available and navigate different functionalities
- Access Practices Notes for explanation of current laws and practice.
- Access market-leading Standard Documents for contract drafting.
- Access Checklists for project or transaction planning.
- Utilise the ASK function for answers from in-house experts on questions on law or content.
- Browse Legal Updates to stay up-to-date on different practice areas and set up alerts.
- Access What's Market to have an overview on the market deals.
- Browse and search for journal articles under PLC Magazine.
- Cross-border resources including jurisdiction specific material and resources

Session Duration

60 minutes.

Session Delivery Methods

Internet (Microsoft Teams) - This training method is ideal for individuals or groups who are based remotely or where face to face training is not possible.

The Microsoft Teams session allows the participant to view the trainer's computer screen as they demonstrate research strategies on Practical Law. At no time does the trainer access your computer.

Training Specialist – Khushboo Doshi

A Thomson Reuters Training Specialist will conduct the session.
